Non-Consent Form For Media /Photography

I do not give my consent to Atlantic Shores Christian School to publish or copyright any photographs or videos in which my child appears while enrolled as a student in any programs of Atlantic Shores Christian School. This would include but not be limited to use of photographs/videos in school brochures, school media sites, emails, advertising, videotapes, and other like publications. I acknowledge that if the school inadvertently includes my child's photograph in one of the above media, I will advise the school immediately so that the school can rectify the issue. I also acknowledge that Atlantic Shores Christian School live streams large school events and my child may briefly appear in them.

The above waiver does not include the school's yearbook. If you also want your child's picture excluded from the yearbook, you must also check the box below.

Please also exclude my child's picture from the ASCS yearbook.
